TO THE NEW GIRLS

We are welcoming the Freshman Class of 1929. We are glad to have each one of you at Sweet Briar. It is your spirit and your coöperation which will help uphold the ideals and standards of the College. Since you are going to be a large part of it, we want you to feel that Sweet Briar belongs to the students and that only by our loyalty and love for it, our interest in its welfare and our earnest purpose to take and use the best that it can give us, will its highest aims be accomplished. You can do your part by giving your chosen college the best you have to give and by being prepared to enjoy your life here to the fullest by making it worth while. Sweet Briar must be proud of having every one of you.

Sweet Briar, Sweet Briar, flower fair,
The rose that on your crest you wear
Shall never fade, but always bear
Thy beauty, O Sweet Briar!

Sweet Briar, Sweet Briar, thy columns
white
Shine on thy hills a beacon light
Of truth, to burn with radiance bright
Forever, O, Sweet Briar!

Sweet Briar, Sweet Briar, we sing to
thee,
May thy foundations ever be
Strong as thy hills, thy purity
That of thy rose, Sweet Briar!

THE ASSOCIATION AT WORK

What Each Committee is Doing

The Social Service Committee

Perhaps you are surprised to find "social service" work in the country, but it is in the country that the Red Cross and the Christian Association are doing some of their hardest work. Sweet Briar is a well worth while field, though the work on the campus is limited to two branches—the Sunday School and the meetings and classes for the waitresses.

The Sunday School is attended by about twenty-five children. The classes are made very attractive and it means a great deal to them. The Christmas tree every year is always a howling success—a feature that none of you must miss. This is a kind of work which is doubly repaid by the pleasure you get out of it.

The waitresses do not get out of the dining-room in time for church or for the Sunday evening vesper services, so if it were not for the meetings which are held Sunday night there would be girls at Sweet Briar who would never have an opportunity of going to church, whether they wanted to go or not. The classes for these same girls are organized under the direction of the Association. We have had a dancing class, a sewing class, a singing club, a basketball class, and classes in English, Mathematics, and Hygiene.

If you want your work to be thoroughly appreciated, just offer some of your time to the Chairman of the Social Service Committee. She is Ruth Lowrance.

The Extension Committee

The Extension Committee is Social Service work spread out. The activity of the committee for the coming year will be in connection with the Red Cross center in Amherst and with the branch organization at Sweet Briar. Perhaps you know that the American Red Cross is concentrating its efforts on the betterment of conditions in rural communities and that Amherst is one of the poorest counties in the State. Sweet Briar can do no more creditable or lasting work than to aid in the improvement and progressiveness of the county in which it is situated. We are helping to support in Amherst, a nurse and social worker who has done immeasurable and widespread good for the people all over the county.

Before you leave for Sweet Briar look around and see if you have some children's books. If so pack them up and send them to Rev. Thomas Lewis, Amherst, Va. This year the Sweet Briar girls have provided the Amherst children with a library and we need more books.

There will be a story hour in Amherst for the youngsters on alternate Sunday

afternoons, and we want every girl who possibly can to volunteer to help with this work.

Equally important is the Indian Mission. This is a settlement back in the mountains, of several hundred people of very mixed blood and almost unbelievably few opportunities. The county supplies a teacher for six months of the year and the Episcopal Church in Amherst and the Sweet Briar Christian Association support her for the other six months. We also send clothes and provisions to the Mission and the Association gets up frequent hiking parties to go over and arrange entertainment for the children, carrying them toys and candy, and at Christmas, filling stockings for them. The girls take an especial interest in this branch of work and it has proved to be an instance of time well spent.

The Extension Committee has also been interested in launching a health campaign at the Coolwell school, about two miles distant, and in helping the school raise the money for its own activities in the line of improvements.

Besides this, magazines and provisions are sent to the county poorhouse where conditions are far worse than pitiable and where there is an ever-present need for assistance.

If you are willing to take your part in making people warm, well, and happy, there is a place on this committee open to you. Apply to Susan Jelly.

The Religious Meetings Committee

The Religious Meetings Committee plans the vesper services which are held after supper on Sunday evenings. Sometimes these meetings are short, simple services, with a little special music, which are rather intimate and which give you a few minutes at the end of the day to rest. Sometimes at these meetings many of the finest speakers and biggest workers in branches of social, industrial, and religious work, who come to Sweet Briar, speak to us. These services should undoubtedly prove a great source of really substantial help. Whenever you think of any feature which would make them more interesting or helpful, be sure to report it to Helen Smyser.

This Committee also provides for the short chapel service on Friday evening.

The Membership Committee

What the Association wants is not numbers but *members!* That is one reason why Sweet Briar adopted the *personal basis* of membership. You know it used to be the case that you could be a member of the Association on any condition, but not a voting member unless you were a member of a church which belonged to the Federation of the Churches of Christ in America. At the National Convention in Cleveland, held in April, 1920, it was voted to adopt the personal basis of membership

for the student associations. You will find this basis fully explained under Article III in the Constitution. Sweet Briar took the forward step along with many other colleges in the United States.

It is believed that under this new order the girls will feel more keenly that *they are the Association* and if the Association succeeds, to them goes the credit and if it fails, to them people will look for the reason. This should kill any tendency to indifference.

Look for the Membership Committee when you arrive. Those girls, together with the rest of the S. B. C. A. Cabinet, will be there to meet you. It will be their pleasure to welcome you to Sweet Briar and help you in any way they can.

Sometime during the early fall this same committee will be asking you to be a member of the Association, so think it over—it's worth it. Watch for Wanda Jeusch, the Chairman of the Membership Committee.

The Social Committee

Through the efforts of the Social Committee, more girls are brought in touch with each other than through the work of any other branch of the Association. Its members help to meet the new girls and to make them feel at home at Sweet Briar. They have charge of the reception given to the new girls at the beginning of the year and of the

party given to those students who enter in February. The S. B. C. A. bazaar and the musical comedy are both under the management of the Social Committee, as is also the responsibility of providing comfortably for all guests of the Association.

If you have any ideas for these affairs or are willing to help, the Committee wants you. The Chairman is Helen Adams.

The Publicity Committee

If you can draw, here is your opportunity to exercise your talent and to be useful. If there is one thing we do like it is attractive posters. We use them for everything. The committee needs everybody who can serve, and those who cannot make posters—please read them and heed them. There will be posters for the Sunday evening meetings, for bazaars and parties, for entertainments and activities, and general information.

This committee is the information bureau of all S. B. C. A. activities in other fields. If the Publicity Committee doesn't know something you want to know they can find out for you. The chairman is Elizabeth Cates. Help her and let her help you.

The Finance Committee

The main business of the Finance Committee is the making out of a

budget at the beginning of each year. This budget is an approximate estimate of the S. B. C. A. expenses for the year and it is up to the Finance Committee to raise this amount.

BLUE RIDGE

The Students' Summer Conference

Away down in North Carolina on the side of a great mountain, perches Blue Ridge. The first view of it from the railway station at Black Mountain is inspiring and the inspiration is renewed at every turn. Perhaps the most wonderful thing about the place is the view fronting Robert E. Lee Hall, which is the nucleus of the conference life. Standing on the broad piazza, looking across the valley with its many roads winding in and out among the fields and forests, you see the blue outlines of a long, high range of mountains, rugged and majestic in their dignified beauty. It may be the atmosphere of the conference, it may be just imagination, but somehow God seems very real to you up there.

Each day is filled with interesting things. All morning there are Bible and Mission study classes, lectures and meetings for the discussions of Y. W. work. At these meetings you find girls from colleges all over the South, and you learn a great deal about the management and business of other student

Y. W. C. A.'s. In the afternoon there are hiking, swimming, tennis, and other sports. Parties climb Hightop to watch the sun set over the blue, eternal hills. Dinner is at six o'clock and each delegation gathers at its own table in the refectory. What an appetite that mountain air gives you and how good the food is! During the meal, the different colleges serenade each other, Blue Ridge, and the world in general, with all kinds of college and conference songs. Later there are stunts, movies, lectures, or step-singing out in front of Robert E. Lee Hall. Last of all are the delegation meetings, just before "taps" when the members of each delegation discuss together the things that have happened during the day.

The finest thing you can bring with you from the conference is the "Blue Ridge spirit." This may be defined as "happy helpfulness" for everyone is eager to help you in any possible way, and everyone is happy. There you are prouder than ever of being a Christian; it seems a thing to be proud of, to try to live up to more than ever before. You might well put your whole life into Blue Ridge and not take half from it of what is there for you. Blue Ridge is one of the "high places" of our country, and if you doubt this, just ask anyone who has been there.

**SWEET BRIAR CHRISTIAN
ASSOCIATION POLICY
FOR 1925-26**

Motto: "Whatsoever ye do, do all to the glory of God."—I Cor. 10:31.

1

We, as a Cabinet, realize that our supreme strength lies in the reality to us of Christ as a Friend. Therefore, we determine to make Him our Friend, to help other girls feel Him as their Friend and then work together for His honor and glory.

2

The Cabinet believes that the greatest need of our college is a deeper thoughtfulness on the part of each girl in college. This thought would result in a true estimate of the relative values of things, a balanced life which puts the right emphasis on the different phases of college life and develops true college spirit. To this end we will dare to stand for:

First—Loyal and unflinching support of the Associations in college, strict obedience to their regulations, and regular attendance at their meetings.

Second—Interested respect and response to the regulations of the Student Executive Department.

Inasmuch as we are the leaders in the spiritual life of our college community we determine:

To observe Sunday in such a way as shall show the college our real love for Christ and our reverence for the Lord's Day.

To set a proper standard of conduct in chapel exercises.

To hold a Cabinet prayer group once a week where as a body we may bring our specific problems to God for solution.

To support to the best of our ability our regular Sunday evening services.

To bring out and train girls in real spiritual leadership, by watching carefully for powers of leadership in girls and by giving these girls such work to do as shall develop and consecrate these powers.

4

Inasmuch as we realize the Association is dependent not only upon the spiritual quality of the leaders but also upon their practical efficiency, we resolve:

To be regular and punctual in attendance upon the weekly meetings of the Cabinet and to regard these meetings as previous engagements.

To regard Cabinet meetings as confidential meetings, where we may freely discuss any question.

To read intelligently each month our Association Monthly in order to be thoroughly equipped in our work.

To study the Association Handbook.

5

As individuals we pledge ourselves:

To spend as much time as possible daily with Christ in the study of our Bible and in prayer.

To keep strict watch over ourselves in all our activities and relationships.

To know as many girls in college as possible, and to be ready and willing to give each girl the best that is in us.

All the above resolutions, howsoever difficult, we will carry out to the very best of our ability.

“Be ye transformed by the renewing of your mind, that ye may prove what is that good and acceptable and perfect will of God.”—Rom. 12:2.

HOW YOU CAN HELP

You are the Sweet Briar Christian Association. If the Association succeeds, it is you who make it do so; if it fails, it is because you have not taken your part. The Association, so large in its possibilities, so influential in its scope, so vital and necessary to the college life, must not fail. Therefore, be an active member. Show your interest, give your support, co-operate for the accomplishment of its aims. Be conscious of your membership and try to make others feel a similar consciousness and you and your Association will both grow broader and will be more worth while.

Show your interest by an endeavor to attend every meeting regularly, and **DO NOT COME ALONE.** To try to interest others is the surest way to interest one's self.

If you have any criticism of the Association, make them *to* us and not *about* us. Criticisms prompted by sincere interest may be a source of real improvements and progress in our work.

Carry the Association spirit of helpfulness and unselfishness with you throughout the week—to your tables, your classes, your roommates, and your play. It is not meant to be kept for Sunday!

Should Article II or Article III, Sections 1 and 2 be altered or repealed, and any membership basis adopted other than the authorized alternate basis, that is the church membership basis, the Association would forfeit its right to membership in the National Young Women's Christian Association of the United States of America, according to the constitution of the national organization, and would thereby also forfeit its affiliation with the World's Student Christian Federation.

Definition

In forming the National Young Women's Christian Association of America, it was agreed to use as definition of Protestant Evangelical Churches, the Portland definition in use by the Young Men's Christian Association of North America, and as optional the statement of the action taken by the Inter-Church Conference of 1905. Printed matter con-

taining these will be forwarded upon request to the National Board, Young Women's Christian Association, 600 Lexington Avenue, New York.

BY-LAWS

By-Law I—The new and old Cabinets shall meet jointly during the intervening period and outline the policies of the work of the coming year.

By-Law VII—No student deficient in academic work or in “bad standing” with the Student Government Association shall hold office in the Association.

No student shall be appointed as chairman of a standing committee of the Association while deficient in academic work or in “bad standing” with the Student Government Association.

THE STUDENT GOVERNMENT ASSOCIATION

Foreword

With the opening of a college career, the great problems of control, and self-control in particular, seem uppermost. Aiding in the solution of this problem, with the coöperation of the faculty and the earnest work of former students, the Student Government Association of Sweet Briar College, has risen. This Association through the fourteen years of its existence has stood for the maintenance of our College standards.

The success of former years and of the years to come is intimately connected with the life and aim of each student who forms a unit of the democracy. Each citizen of the collegiate body should realize the importance of her hearty co-operation with the actions of her government by earnest interest and truthful expression of her own opinion. The fresh inspiration of the members of the Association, gathered together, are only greater steps toward the perfection of a system which shall stand for everything. Each individual is needed. Her value to the rest of the college is inestimable, if her idea and aim is always what is best for Sweet Briar College.

The observance of the rules and laws of the Association may at first seem irksome, but they become easy if we remember to uphold the high standard. To help in the upholding of our rule, we have drawn up a constitution.

THE CONSTITUTION AND BY-LAWS OF THE STUDENT GOVERNMENT ASSOCIATION

Agreement Concerning the Student Government of Sweet Briar College

Our Petition

The Students of Sweet Briar College, believing that there is dignity and honor in student government, desire individual and community responsibility for the conduct of students in matters not strictly academic.

We, therefore, petition the President and Faculty for legislative and executive control in certain matters. We ask:

I—Right to control quiet and order in all places about the buildings and campus that are not under the immediate control of a member of the Faculty.

II—Permission, with the advice and approval of the Faculty, to extend our power as occasion arises and we prove worthy to be vested with greater power and authority.

III—Permission to make such additions to the above as we may feel are necessary, with the consent and approval of the President and Faculty.

Faculty's Reply

The Faculty of Sweet Briar College endorses most cordially the desire of the student body to assume responsibility for

the conduct of individual students in non-academic matters. Therefore, the Faculty accords permission to frame a constitution embodying laws regulating the points specified in the petition—said constitution to be submitted to the Faculty for endorsement.

Preamble

Whereas, We, the students of Sweet Briar College, desire to assume individual and community responsibility for the conduct of students in matters not strictly academic, and, whereas, we believe that there is dignity and honor in student government, we do hereby, in accordance with the agreement between the Faculty and students, organize ourselves into an Association.

REVISION
OF THE
CONSTITUTION
OF THE
STUDENT GOVERNMENT
ASSOCIATION
OF
SWEET BRIAR COLLEGE

CONSTITUTION

Article I—Name

The name of the Association shall be the Student Government Association of Sweet Briar College.

Article II—Purpose

The purpose of this Association shall be to foster the individual and community interests of Sweet Briar students, by maintaining the high standard of conduct and decorum, and by strengthening the spirit of unity and the sense of individual responsibility implicit in the ideal underlying the foundation of Sweet Briar College, which was "to impart to students such an education in sound learning, and such physical, moral, and religious training as shall . . . best fit them to be useful members of society."

Article III—Honor System

In order to carry out the general purposes of the Association, an Honor System has been installed. Under the Honor System, it is assumed that all members of the Association will have due regard for the spirit as well as for the letter of the rules and regulations adopted from time to time, in accordance with this Constitution.

The Sweet Briar Honor System rests solely upon the personal honor of each student, and upon the public opinion of the student community as a whole. Each student is in honor bound to report herself to the proper authority for any infraction of the rules, except in matters which are under the direct jurisdiction of the Proctors. Each student is likewise honor bound to report any fellow-student known to be guilty of a similar infraction of the rules, after failure on the part of said fellow-student to comply with a request to report herself.

While the various officers and committee-members of the Association are especially charged with the duty of maintaining the respect for law and order necessary for a self-governing community, this provision in no way relieves any student of her individual responsibility. It is expected that every student will hold herself personally responsible for compliance with the rules of the Association, and will endeavor in every way within her power

to foster a public spirit which will not tolerate the infringement of the rules by any member of the Association.

Each student is expected to conduct herself at all times and in all places in such manner as shall uphold the honor and reputation of the College, as well as her personal honor.

Occasional and accidental neglect of the rules governing quiet and lights in the dormitories shall not be considered as a "breach of honor." It is to be borne in mind, however, that only such rules are in force as have been found necessary for the maintenance of a peaceful and harmonious community life, and their persistent or wilful disregard, therefore, constitutes a serious offense, and will be dealt with accordingly by the duly authorized officers of the Association.

Article IV—Membership

All persons pursuing studies at Sweet Briar College are active members of the Association and must conform to the rules and regulations of the Association for such periods as they are registered in the College. Every student on entering the College shall sign a pledge to uphold the Association and the Honor System and shall thereby be granted membership in the Association.

Article V—Jurisdiction

In accordance with the resolution of the Faculty dated October 20, 1906, all

resident students, both individually and collectively, are under the immediate jurisdiction of the Association, in matters not strictly academic. Non-resident students are likewise under the jurisdiction of the Association, except in matters which naturally are under the control of their parents or guardians.

With regard to these rules students shall be held responsible for their guests. At all times and in all places, the Proctors shall hold themselves responsible for good order in the college community, and shall take whatever steps may seem expedient to enforce the rules of the Association. In the discharge of their official duties, Proctors are duly authorized representatives of the Association, and are vested with the dignity and authority naturally pertaining to such representation. 4. The dates for all student association and class plays, minstrels, vaudevilles, revues and other performances of dramatic character shall be arranged for on the Student Activity Calendar *thru* the President of the Dramatic Association.

This will eliminate conflict in plans and rehearsals and eventuate a systematic cooperation of the entire student body in all such aforementioned productions.

5. All student association and class plays, minstrels, vaudevilles, revues and other performances of dramatic character shall be subject to a censorship committee appointed by the president of Paint and Patches, as the Dramatic Association is now held responsible to the entire Sweet Briar body for all such productions instead of the former faculty censorship committee.

6. All productions of outside organizations, as dramatic or musical clubs, if not coming under the direct auspices of Paint and Patches likewise must be ar-

ranged for with the President of the Dramatic Association to avoid conflict with other student activities and plans.

7. All performances given under the auspices of Paint and Patches, shall be open to the public. This includes any student association or class production which has been approved of by the Dramatic Association.

10. Members shall be given sufficient warning by the President and the Treasurer of the Association before this action becomes effective.

11. Any member of a rehearsing cast who by her unexcused tardiness, absence, or disturbing behavior retards the progress of a production shall be automatically dropped at the discretion of the director.

12. Reference of this action shall be made immediately to the Executive Committee to whom an appeal may be made within 24 hours by the offending member.

13. The final decision of such action lies in the decision of the President of the Association and the director of the production.

14. If the date of production is so near that such action as stated in By-Law 11, could not be taken without injury to the production, the offending member shall be allowed to continue work in the rehearsing production but shall be disqualified for further active work in the Association for a certain period of time set by the Executive Committee.

15. This period of time as stated in By-Law 14 shall cover at least the period of the next production.

16. The ballot boxes during election shall be in charge of the officers of the association.

17. Honorary members may be elected to the Dramatic Association by a simple majority of the Active Members.

ATHLETIC RECORDS

Sweet Briar at present holds the American Inter-collegiate record for the 2-foot 60-yard hurdles.

In the year 1923-24 the Sweet Briar hockey team held the championship of the South and the tennis team, the first organized at Sweet Briar, won all of its matches. Interest has steadily grown in all forms of sport and the outlook for the succeeding years is so bright as to warrant our belief that Sweet Briar will become widely famed for excellent and wisely conducted athletic exercises.

THE HONOR SYSTEM

We have been able to maintain a high standard of honor at Sweet Briar, and we look to you to do your part in the future towards keeping this standard. We have an Honor Council composed of one member elected from each class, and the President of the Student Government Association. This student committee has the power to investigate and take action in any case which comes under its observation. The final word rests with the faculty, but we are glad to say that it is seldom necessary to resort to this Supreme Court.

This system is not only in use during examination time but all class work during the year is done under the same standard. Much that is winked at and overlooked in a preparatory school is strictly noticed here at Sweet Briar. Please be careful wherever your honor is concerned and there will be no question as to an Honor System.

TAU PHI

As a literary society, Tau Phi holds a unique position in the College. It is the first organization of its kind that we have had and has from the first been singularly successful in giving both pleasure and profit to its members. The Club is composed of ten Seniors and ten Juniors. Tau Phi is not restricted to literary activities, but encourages interest and ability in many fields. The

present members hope the new initiates will feel it more and more of an honor to belong.

THE BRIAR PATCH

An annual is always important. The Junior Class "gets out" the *Briar Patch* and it looks to the members of its sister class, The Freshman, for a great deal of help. You will be glad to have a part in it and to own a *Briar Patch* as a permanent record of your college life among the beauties of the Virginia hills.

THE BRAMBLER

The Brambler is the college magazine that is issued six times a year by the students. It is a live publication and we are depending upon the Class of '29 to make it more so. In this magazine we are attempting to combine literary and artistic material, with the humorous. It is your magazine and because of this you will want to subscribe and contribute to it. The publication a college puts out is representative of that college and we want *The Brambler* to represent Sweet Briar in the best possible manner. In order to do this everyone must co-operate and work together to make it an even better and bigger magazine than it has ever been before.

THE DRIVE

The Sweet Briar students are running a drive for \$120,000 with which to erect a new building containing a Little Theatre and Gymnasium with a swimming pool. The girls and alumnae have already realized the urgent need for this building and we want the backing of '29. To make you realize just how eager we are to obtain the quota we have now a 100% pledge from the student body of money that they themselves are to earn by March 1926! '29 should benefit by our efforts by their own co-operation in an undertaking well started for them. The student chairman of the Drive is Kathryn Norris, 150 Gates Avenue, Brooklyn, N. Y.

LE CERCLE FRANCAIS

Le Cercle Francais, a club for the more advanced French students, is a social organization for the promotion of a knowledge of the French language, customs and people, outside of the classroom. The club meets twice a month and literary, dramatic and social programs are arranged by the members.

The newly organized History, Classical, and Biology clubs, are expected to prove of great interest to the students.

GLEE CLUB

Sweet Briar could not do without the Glee Club. Excellent concerts are given during the year. Try outs for new members are held in the fall.

THE CHOIR

A great deal of the beauty of the church services is due to the choir, and if you sing, there is a place on it for you. Trials are held during the first two weeks in the fall. Rehearsals for choir are held for an hour Thursday evening and directly before the Sunday morning service.

INTERNATIONAL RELATIONS CLUB

Dr. McDougale was the first person who awoke Sweet Briar to the need of a study of the problems of international diplomacy. He, therefore, got in touch with Prof. G. H. Blakeslee, editor of the *Journal of International Relations*, and received permission to start a club at Sweet Briar. This club is one of the number to be founded in the Universities and Colleges of the country under the auspices and with the assistance of the Carnegie Foundation for International Peace.

Since Dr. McDougale left Dr. Folsom has taken his place as faculty advisor of the club. The club is composed of Seniors and Juniors with a certain academic standing. There are thirty members, the number being divided as nearly as possible between the two classes. New members are elected by the old at the beginning of the year. Invitations to new members are given out at a regular meeting of student gov-

ernment. Meetings are held every other Tuesday night at Dr. Folsom's home. Each member has a foreign country assigned to her in which she is particularly interested and upon whose events and problems she reports regularly to the club. Debates are occasionally held, and speakers on international questions brought to the college.

FOR FRESHMEN ONLY

Laws of Varsity Council

Whereas, we the Seniors, Juniors, and Sophomores of Sweet Briar College, represented by the Varsity Council, desire that at all times the Freshmen of Sweet Briar College pay proper respect to upperclassmen (Seniors and Juniors), we therefore demand that the aforesaid Freshmen comply with the following laws:

Resolved that:

Law 1.—Freshmen shall at all times show deference to Faculty.

Law 11.—Freshmen shall not use cosmetics while wearing aprons, roll their stockings, walk on the grass or chew gum.

Law 12.—Freshmen must know the Sweet Briar Song.

Law 13.—Freshmen shall wear regulation green choker beads on Saturday nights, Sundays and while off campus for the first six weeks.

Resolution 1.—A Vigilance committee shall be appointed from the Sophomore Class, which shall be vested with the power to report all misdemeanors on the part of the Freshmen, to the Varsity Council. The accused Freshman shall be tried in court by the aforesaid Varsity Council of Sweet Briar College. If found guilty, penalties shall be inflicted by the Varsity Council.

Resolution 2.—This Constitution is subject to revision and amendments.

The Varsity Council shall consist of the four class presidents (president of Senior Class as chairman), and two representatives from each class appointed by respective presidents.

TELEGRAMS

All telegrams for Sweet Briar are telephoned from Amherst. Both the Western Union and the Postal have a direct telephone connection with the college.

MAILS

Mail is neither received nor sent off on Sunday.

The post office is in the Administration Building. One must go there to buy stamps, register letters, secure money orders, send off and insure packages. Letters not registered and parcels not insured are delivered from the Linen Room. Letters, but no packages, may be placed in the receptacles in the

dormitories; these are collected from all the dormitory boxes at 7:30 a. m., and from the box in Gray only, at 12:50 p. m.

Mails must be in the post office by 7 a. m., 11:30, and 3:30 for out-going mails.

The 7 o'clock mail carries *only* Southern mail.

The 11:30 mail carries *only* Northern mail.

The 3:30 mail carries *both* Southern and Northern mail.

Northern parcel post leaves *only* at 11:30.

Southern parcel post leaves *only* at 3:30.

PRACTICAL POINTERS

Students' rooms are furnished with beds, chiffoniers, tables, bookcases, chairs, and rugs, and the usual amount of bedding. Each student should provide herself with her own towels, and an extra blanket and sheets. Couch covers, curtains, desk lamps, easy chairs, etc., are usually obtained from the Lynchburg stores.

Electric stoves, etc., may be used.

Regulation uniforms are used in the gymnastic drills and basket ball practice which each student is required to attend unless excused by the physician.

Bathing suits will be useful in the fall and spring. They may be purchased at the S. B. athletic store.

Each student is expected to take one hour of exercise a day.

Dresses, skirts, etc., may be taken to the laundry for cleaning, pressing, and plaiting, at nominal charge.

A Riding Permit must be given to the physical director before any student will be permitted to ride horseback.

No student will be permitted to go bathing in the lake until she has a WRITTEN PERMISSION from her guardian filed with the physical director and has passed her physical examination under Dr. Harley.

The Student Government Association of the college regulates observance of quiet hours. Absolute quiet must be maintained at 10:30 p. m. whether light cuts are being taken or not.

Trips of college students to Lynchburg are subject to the chaperonage rules of the Student Government Association.

The regulations of Student Government are posted on the S. G. A. bulletin board in Academic and each student is held absolutely responsible for knowing them. Each student is responsible for everything that goes on at every Student Government meeting.

Athletic rules and items of interest are posted on the Athletic bulletin board.

Read the bulletin boards! Students are held responsible for official notices posted on the bulletins.

Students should read carefully the printed rules to be found in the Library regarding the use of books. Violations of rules implies a loss of Library privileges or a fine.

Students who are ill or indisposed may have meals sent to their rooms at a charge of twenty-five cents. Orders for meals with the cash payments for them must be placed in the boxes for that purpose in the various dormitories not later than 30 minutes before dining-room bell rings.

Food such as bread, butter, jam, and fruit may be obtained at the Refectory during the interval of an hour before to an hour after each meal. The cost of the food is nominal.

Horses for riding and driving may be obtained from the livery stable in Amherst.

Be sure to do some work in the Young Women's Christian Association. Each member is responsible for the success of the Association work.

The chapel service affords us a few minutes each day for devotional thought. Remember that talking to your neighbor not only disturbs her, but jars upon a large number within sight or sound, and detracts greatly from the otherwise sacred atmosphere of the Chapel service.

Attend REGULARLY and PROMPTLY your Association meetings, class meetings, and song practices.

The first class meeting of the Freshman Class is called by the Junior President, who is then President *pro tem* of the Freshmen until the election of their officers after six weeks.

Do not forget that you are a Freshman at Sweet Briar College and NOT an upperclassman at your preparatory school.

The Senior Study is for the use of the Seniors and their guests only.

“Good advice is beyond price.”—Consult an upperclassman about the things you do not understand. She will be glad to help you.

Fire drills are held for the purpose of teaching the students to go out of the buildings in a quick, QUIET, and orderly fashion.

There is a booth for telephone and telegraph service in Gray hall.

Special Delivery and express lists are posted on the Gray bulletin board and the letters or packages delivered from the “Linen Room.”

When students arrive at the Sweet Briar station they will find the Sweet Briar omnibus at the south end of the station building. The charge between the station and the college is 15 cents. If you give the driver your trunk check and 50 cents he will attend to bringing up your trunk.

The House President in your dormitory will be glad to help you in any way she can.

Remember that YOU represent Sweet Briar on every occasion.

The Dean's office is open from 10:30 to 12:30 a. m. Tuesday and Thursday, and from 2:30 to 4:00 p. m. Monday, Wednesday and Friday.

The Treasurer's office is open from 8:30 to 1:25 each day except Sunday for the transaction of business with the students. Jewelry or other valuables may be left with him for safe keeping. Money may be deposited with him to be withdrawn as the student desires in sums not less than one dollar.

It is inadvisable to keep money in your room except in small amounts.

The Treasurer will also furnish information about railroad travel and schedules of trains.

Orders at the Students' Bookshop are not honored until a deposit of \$25.00 for the first semester has been made. An extra \$5 stationery deposit is also customary.

When parents of the students visit the college, they may see the Treasurer in the afternoon.

It has been decided by the student body that a "College Activities Fund," covering annual dues to the various organizations, be added to the general expenses. This will eliminate "Pay Day" in the fall.
